

Supreme Court Cases: v. 3

It is necessary to awaken a slumbering society which has become insensitive to the crimes which stem from abysmal avarice. If this book stirs social conscience or helps to implement legal provisions we shall deem the effort well recognised. - B.P. BERI Justice Beri has analysed the provisions of the Act threadbare and given his studied opinion and suggestions wherever necessary. In one compact volume a wealth of case-law, the important amending Acts, allied statutes and other useful material is provided. State amendments are also given. The Law of Streedhan has assumed immense importance in view of the decision of the Supreme Court in Pratibha Rani v. Suraj Kumar. The Tagore Law Lectures by Guroodas Bannerjee on the subject is an excellent rendition of this law and has been reproduced verbatim in this work.
