

## Taboo Fantasy Erotica Little Brats Surprise

Tied up and blindfolded... what a way to find you in my bed. I figured that when my business trip got cut short, I'd surprise my little brat by coming home early. What I didn't expect was to find her waiting for me all tied up and willing to do anything for the man of the house! I'm not even sure she knows it's me, but I'm taking what I want. I run this household, and when she begs me to give her my baby, I am only too happy to oblige! I can't say much more about this story here. Click Look Inside
