

Little Evie: a BDSM ageplay romance

Evie is a 29 year-old woman but her diminutive stature and her angelic, youthful features make her look far younger than her years. She meets Dylan Draper at a low point in her life and is ecstatic when he offers her a job. Dylan has a strict work ethic - he never enters into a personal relationship with work colleagues - but all that changes with Evie. The two find they both share the same kinky interests and the spark between them grows as they develop an ageplay relationship underpinned by a sensual D/s dynamic and hot sex. Evie submits willingly to this older man who becomes her Daddy and she is subject to his rules and discipline. She spends her weekends with Dylan and dresses as a little girl, appreciating the opportunity at those times to dispense with her adult self and play on the swing, play with toys, and snuggle up for a bedtime story. But it isn't always easy to be a good little girl, and Evie gets plenty of spankings... which together with humiliation aspects, invariably prove to be a huge turn on. They enjoy going to BDSM clubs, and under Dylans guidance Evie is introduced to all manner of deliciously perverted and sensual pleasures which has her begging for more. Yet not everything runs smoothly. An unpleasant incident at work results in Evie running away, but Dylan comes through for her and shows just how much he cares for his Little Evie. Publishers Note: Little Evie includes ageplay, anal play, diaper play, sexual scenes, and elements of medical play. The punishments include spankings, shaving, corner time and SM themes.
