

Little Red and the Big Bad Wolf: A BBW Paranormal Erotic Fairy Tale

Scarlett's little town is being stalked by a beast. It only preys on young beautiful virgins, so she thinks her curvy body is off the menu. But when she volunteers to sacrifice herself for the sake of her town, she didn't know exactly what she signed up for. This is no ordinary wolf. Werewolf Rafe has found his mate, and he has to take her body or lose control. Will the voluptuous young virgin lose her innocence to a rough werewolf? Or will she fight against his passion? Explicit: This 3,000 word story contains explicit scenes of rough sex between a curvy virgin girl and a sexy werewolf alpha. It is of adult nature and meant for readers over 18 years of age. Excerpt: I need you, he said. A hand moved between Scarlett's legs and inched its way upward. She grabbed it with her free hand. What do you mean, you need me? she asked. I mean that you are my mate, and I'm going to make you mine. You have to be mistaken. There are many more beautiful girls in the village. Besides, I'm a virgin and I've been saving myself for the man I'm going to spend my life with. And Rafe cut Scarlett off. He pressed his lips into hers and she felt a warmth in her body that she had never felt before. It was like a jolt that went straight to that place between her legs. She kissed him back, in spite of herself. Rafe brought his lips close to Scarlett's ear. His voice was deep and low. She could almost hear the growl in it as he spoke. Listen to me. I'll never leave you. You're my mate. I'll never let anything happen to you.
