

## A Feast Unknown (Secrets of the Nine #1 - Wold Newton Parallel Universe)

The diaries of Lord Grandrith, the legendary Apeman, Lord of the Jungle and bastard son of Jack the Ripper. Blessed with unnatural long life, his power brings with it a gruesome side effect - one shared by his nemesis, the formidable Doc Caliban, Man of Bronze and Champion of Justice. But these two titans have more in common than they could ever have imagined. Who are the dark manipulators of their destiny? A brand-new edition of the controversial novel.
