

## Lost and Found

Cady Briggs is very useful to Mack Easton - her expertise in art and antiques helps his shadowy, low-profile company, Lost and Found, find missing treasures for high-paying clients. But as Cadys beloved Aunt Vesta warns her, being useful to a client is one thing - being used is another. Still, Cady finds it hard to resist the magnetic pull Mack exerts, an attraction she felt from the first time she heard his voice on the phone. And as their work together puts them in an explosive situation, Cady wonders just how much shed risk for the thrill of being with this man. When Aunt Vesta dies suddenly, and strange developments affect her familys prestigious gallery, Cady must turn to a man she isnt sure she can trust. And instead of tracking down missing masterpieces, theyll be hunting down a killer...
