

Love Comes Blindly (The Fielding Brothers Saga) (Volume 5)

If love isn't blind to past indiscretions, can absence truly make the heart grow fonder? Gregory Fielding has been wounded when he travels to Scotland to find the next big story for his London newspaper. Now blinded, he relies on the soft, comforting touch of one of the nurses at St. Marys Abbey. He thinks she's a novice, but that doesn't stop him from wanting to give her his heart. Madeline O'Neil cannot believe her misfortune. The man she had almost married three years ago is back in her life. Gregg doesn't know who she is and she doesn't dare tell him. Not until she makes him like the new Madeline. But as each day passes and her heart grows fonder, she fears he'll hate her for certain once his eyesight returns. Especially when he discovers the secret she's been keeping from him for three years
