Ryan Kraves latest urban, dark comedy featuring raunchy sex with an honest and comedic insight into the male mind and contemporary relationships and marriage. Women... if you ever wanted to know how the male mind honestly operates, this is the book! Featuring the short stories of Ryan Krave as a memoir with a fictional twist, Krave begins as a shy, timid, college boy venturing into adulthood unable to attain the one thing he desperately seeks: pussy. Through his own discovery, Krave develops the lifestyle that any man would kill for. Though, Krave hits a brick wall. The secrets he discovers come with dire consequences on the life he once knew and in order to attain it, he must sacrifice his entire way of living... Love is Overrated is a mix of Charles Bukowski, I Hope They Serve Beer in Hell, Sh*t My Dad Says and Fight Club topped off with absurd language, raunchy, in your face insight and an entirely new way of looking at the world and relationships. 50 Shades for men? Or perhaps, a even more realistic 50 Shades of Grey? You be the judge. *** WARNING TO WOMEN: This is the book your boyfriend doesnt want you to read! *** If you experience any of the following side-effects please stop reading immediately: eye soreness, uncontrollable sexual stimulation, sexual organ fatigue, or excessive biting and scratching.
