

Love, Sex and Drunk-Texts

My name is Matthew Thomas and Ive made some shitty choices in women throughout my life. So I created this book which highlights my slip-ups, the self-absorbed cries for attention from women, along with classic quotes and texts messages from loves most desperate moments. If youve ever hated everything (especially your ex) then you will enjoy every page as the tears fall fresh over your smart devices. Holla back son! A few quotes from people I cherish and respect regarding Love, Sex & Drunk-texts are: This isnt art, its mans guide to extinction. An American classic, timeless in its prose! Who on earth would make such a degenerate pice of shit like this? You sound like youve been hurt a lot in your life. Let-go-and-let-God and allow a smart, beautiful woman into your life and try not to be so cynical How old are you Matthew? This book spells 3-yea-old-niece-with-terets all over it! Maybe you can make condoms with art on them, like a sleeve tattoo!? This is the best thing since streaming porn! Thanks bro! I hope that the new readers will enjoy the illustrations and texts within this book. Visit my website www.MatthewThomasArt.com for the latest and greatest.
