

## Loving My Angel: Part Two

Angel shares her secrets with Ryker, expecting them to push him away, only for him to make it clear nothing she says would make him do such a thing. Ryker is stunned when Angel tells him what he wants to know, but nothing prepares either of them for the deception of someone they both trusted. Or him for the return of someone who won't take no for an answer. And when Angel makes a decision which impacts both of their futures, Ryker must deal with the aftermath of the choices they've both made in the past. Note: Second of four in a romance serial, read Part One first; mature audiences only, 125 pages!
