

Lucifers Own: Justice and Revenge

A restless soul that dwells among the human population that has spread its lineage throughout the planet. It has manifested itself in many families in the U.S. from its entry early in the fifteenth century. He is the anointed cherub whose rule destroyed Babylon. He is the morning light of justice. He leveled Nebuchadnezzars arrogance into dust. This cherub exists in man today, and often manifests itself into a blue orb; which is often translated into Lucifer the Shining One. His mission in this story is to bring about justice, by destroying two corruptors of it.
