

# Luigi's Jazz Warm Up: An Introduction to Jazz Style & Technique

For the beginning or intermediate student of any age, this complete body warmup also provides an introduction to Luigi's lyrical jazz style. Developed over a 45 year period of teaching, Luigi's pioneering method is based on anatomically sound principles, using center and floor work exclusively. He believes that students should learn how to support and control themselves totally from within and find the feeling of using space as a barre.
