Meet Amber Barclay Reed, at a young age, she became the eldest of her three siblings and became the primary help of their mother in taking care of them and the house. They were one, big, happy family until another surprising news was announced two days before Ambers twentieth birthday. Their parents were having another baby! The time when the new baby is born had been the day their mother had touched death's door and been reprieved. This was the beginning when things eventually changed to her family. One night, another twist of fate happened that totally turned their life upside down. They were left with nothing, no house, and money to survive. Sally, one of her mothers best friends came to her and told her that there is a wealthy boy in Nevada looking for a mail order bride that can help them. Left with no other option, Amber decided to answer the mail order bride ad to find her hope. But as soon as she meets her fiance, Benjamin Ambrose, things didn't go as she had imagined. What happened that night that ended them in a dreadful situation? Amber never mentioned about bringing her siblings in the letter, he thinks he is scammed. Will Benjamin accept them to stay or will he let them starve to death? One night, Carson is caught red-handed from digging in the front yard. What was he looking for? Come, join us and get to know more about Ambers adventure together with her fun, but rowdy siblings and how they faced all the trials that came to their lives.....a story of hope,

fear, romance, suspense and true love.....While this book is part of a romance series, it can definitely be read as a standalone book.
