

Microsoft Office PowerPoint 2007 Complete Makeover Kit

Microsoft Office PowerPoint 2007 Complete Makeover Kit This book is not as much about reading as it is about seeing and doing! That's why we call it a kit. Full-color pages show you exactly how your slides will look as you follow the makeover steps, and all presentations in various stages of the makeover are on the accompanying CD. Each of the eight makeovers has been carefully chosen so it's relevant to anyone who has ever used PowerPoint. And if you just upgraded to PowerPoint 2007, this book gives you a great introduction to the new version of the program, along with ample experience in using all the new features. There's no better way of getting up to speed with PowerPoint 2007. Learn the tricks used by the creators of award-winning presentations. Every makeover includes step-by-step instructions that are illustrated in full color. Separate chapters dedicated to the PowerPoint 2007 interface and galleries. Explore everything from choosing appropriate colors to visually representing data. Perfect presentations by incorporating high-impact animation and multimedia elements. ON THE CD All sample presentations, plus all the files you need to do the makeovers. Royalty free pictures. Music tracks. Templates and Themes.
