

# The Marriage Guide Book: How to Make Your Marriage Thrive

Divorce-proof your marriage! The marriage tips that I present in this book are the same ones my husband and I used to enjoy a long, exciting relationship. For many, marriage is a chore or an endless battle. But it doesn't have to be that way. You can end the war of the roses and make marriage feel like every day is a first date with your spouse. This book will show you how. It's like presenting you with a Masters in Marriage degree because by the time you finish reading it, you'll know how to handle any situation from misunderstandings and miscommunication to lovers quarrels and creating more thrills in the bedroom. Invest in your marriage and learn to date your spouse again. Make your most important relationship ironclad, totally unbreakable and completely enjoyable with these no-fail tactics.
