

# To Imagine Is Everything

What would an artist be without his or her own sketchbook? Throughout the pages of To Imagine Is Everything, you'll find ample space to create whatever your heart and mind desires, and on the endsheets of this sketchbook, you'll find inspirational quotes from Mary Engelbreit herself back when she was a young, budding artist. With wire binding and 128 pages of blank space, artists-to-be will be encouraged to create their own masterpieces.
