

My Stepbrothers Rules (Club Surrender Book 2)

Desperate for a story to impress my editor, I ventured into the dark, underground world of BDSM. I never imagined I'd find myself the subject of my own story and the slave of a handsome, rich man. He's charming, hot, deadly with a whip and impossible to resist... even if he is my stepbrother. He's determined to keep me out of the underground club scene, but I need more. Dirty, fast and hard, I never imagined something so wrong could feel so right. There's just one little problem: I've got a story to write. The wealthy, powerful men who frequent the club will do anything to keep their forbidden desires a secret. With my life in danger, I found myself venturing further into the world of money, sex and lies. I'm in too deep and only my stepbrother can keep me from going over the edge.
