

## Mass effect : Redemption (French Edition)

Cette saga complete nous plonge dans l'univers du célèbre jeu vidéo de science-fiction Mass Effect. Mac Walters, scénariste de Mass Effect 2 et 3, s'est ici associé à l'auteur John Jackson Miller (Iron Man) et au dessinateur Omar Francia (Star Wars). Ils nous proposent un récit inédit qui se déroule au début du second volet de Mass Effect. Le commandant Shepard a mystérieusement disparu dans l'attaque du Normandy. Son amie, le Dr Liara T'Soni, part alors à sa recherche. Une mission périlleuse mêlant aventure spatiale et enquête policière.
