

Mastering Alternative Dispute Resolution (Carolina Academic Press Mastering)

Mastering Alternative Dispute Resolution covers what readers need to know about negotiation, mediation, and arbitration without requiring them to tunnel through a morass of rules, regulations, statutes, and case law. Negotiation, mediation, and arbitration are skills which are usually taught by doing, but there are a number of fundamentals that need to be studied. This book introduces the reader to those fundamentals and uses examples to show how to put them to practical use. This book is part of the Carolina Academic Press Mastering Series edited by Russell L. Weaver, University of Louisville School of Law.
