

Mating Heat (Siren Publishing Menage Amour)

[Menage Amour: Erotic Fantasy Menage a Trois Romance, M/M/F, Shape-Shifters] Cort and Boone are best friends, working together and often loving women together. Taking a hot little blonde to a motel and sharing her is nothing new for them. The lingering thoughts of the woman are. Neither of them can stop thinking about her. When they discover Nix being held against her will, they jump into action, but its not the kind they are normally used to. They are suddenly able to shift into huge, furry beasts. Confused and shocked, they take Nix home only to discover Nix is an Other, as in other than human. She has powers, a life force, and a need for deep secrecy. She belongs to a world Cort and Boone have never heard of but suddenly find themselves a part of. Their only problem? Someone else knows about Nix, and shes at the top of their list of most wanted. Cort and Boone and their friends have to plan fast and work even faster to save Nix and the others of their kind that are in danger. But first, they have to figure out who the bad guy is. ** A Siren Erotic Romance
