

Revenge Of The Wereslut (Wereslut Book 2, Steamy Gender Swap Romance)

ALL THREE PARTS OF THE WERESLUT TRILOGY ARE AVAILABLE NOW! When Bryce wakes up after a night of debauchery he spent transformed into the lustful Brittney, he can hardly remember a thing. He thinks a coffee date with his best friend, Julie, might clear up his memory, but when hes with her, shes all he can think about. Unfortunately for him, Julie is a lesbian, which means that Bryce doesnt have a chance in hell with her. But then he spots a familiar thatch of red hair out of the corner of his eye, only this time, that hair sits atop the head of a man named Thom. When Bryce confronts him outside, Thom reveals that there is no reversing the curse of the wereslut, but that doesnt mean he cant make the most of it especially with a beautiful woman such as Julie. Theres something slippery about Thom, something Bryce cant quite place. He knows he shouldnt trust the words of the man who took away his manhood. And yet a chance with Julie would be the chance of a lifetime. Can he put aside his loathing for Thom and accept his new life as a wereslut? When the full moon rises again, will he have a choice? Revenge Of The Wereslut is part 2 in the 3 part Curse gender-swap trilogy. All three parts are available RIGHT NOW!
