

Lessons Learned from Playing Games Where Plants Kill Zombies and Zombies Kill Plants

This book combines valid self-help advice for improving ones life, with off-beat humor, as well as video game tricks and tips for playing a game where plants kill zombies and zombies kill plants. Comic book style illustrations brighten many pages of this book and add a lively, fun indie artist feel. The best genre description is difficult to say because it is a comic book of sorts, a self-help book, a gaming book, and a humor book all rolled into one.
