

## Midnight Secrets: Previously released in the Confessions of a Sex Addict Anthology

While on a getaway in New Orleans Andi finds herself at an impromptu therapy session. At the urge of her friends Andi decides to see what this sex addiction session is all about. Is she addicted to sex? She doesn't think so but considering she hasn't been able to sustain a long term relationship because of it seems to be cause for concern. After being divorced twice and a failed engagement Andi figures she'll give it a shot only to meet Adam, a sexy fellow sex addict who catches her attention. Will they be able to control themselves or will they too fall deeper into their addictions?
