

Collectors Encyclopedia Of Milk Glass Identification/Values

This comprehensive, easy-to-use book is the first published to cover milk glass that was mass produced in the United States since 1930. Patterns and shapes made by Fenton, Westmoreland, L.E. Smith, and Kemple are all featured in full-color photographs as well as vintage company catalogs and advertisements. This beautiful presentation will be a great addition to any glassware dealers or collectors library. 2005 values.
