

Minecraft Essentials: The Ultimate 101 Guide & Hacks Handbook for Minecraft

Minecraft Essentials To Gaming Success Minecraft is a sandbox game thus it allows players to be creative in making items needed by the character in order to survive the Minecraft world. This game is not only enjoyed by young gamers but also adults. Although Minecraft looks very easy but the game is very challenging as it is time-bounded and you have to race against time otherwise you will end up being attacked by monster mobs. There are many guidelines on how you can play Minecraft in the internet but this book will serve as your ultimate guide on how you can play this game from start to finish. With this book, you will learn about the following: Learn about the basics of Minecraft. Chapter 1 discusses about the game essentials that you need to procure during the game. The essential things that players need to get in the game include shelter, food and wood. Chapter 2 provides an in-depth discussion about starting the game. This chapter also provides information on what players can expect during the start of the game such as the different types of biomes that players find themselves in and how to craft their first tools. Learn about the things that you need to do to continue surviving the game for a long time. Chapter 3 provides information on what you need to do after you survive the first day. This chapter discusses about home safety and mining for ores. The Minecraft game is a challenging game to play especially for first time gamers. This particular book will serve as your guide on how you can play Minecraft, survive the first day and eventually continue on the second day. With this guide, you will be able to learn how to play the game like a pro even if it is your first time.
