Part #21 Of The ENDVENTURES SERIES Legend Of EnderColossus Part 2 To Avoid Spoilers, please read this Part 20: Legend Of EnderColossus (Part 1) Steve felt as if his head was spinning. He took a few deep breaths before he slowly opened his eyes. Everything was blurry. He blinked a few times and slowly sat up. When his vision finally cleared, he realized that his sight did not help him much. He had no idea what this place was. The skies were dark and the trees were so large that Steve could barely tell that they were trees. The ground beneath him seemed slanted and the wind did not seem to exist. Slowly, Steve remembered why he was here. He had jumped through a portal to this strange place in order to find and stop Herobrine. But where was Herobrine? Follow the adventures of Steve in this strange land and discover the mysteries between Herobrine and EnderColossus.
