

# Minecraft: Minecraft Combat Secrets: An Ultimate Guide To Weapon Mastery (Unofficial)

Become A Pro And Conquer Your Enemy Every Time You Combat This is an unofficial Minecraft book, which explores different variety of Combating skills and displays dozens of Minecraft Combating Secrets, which many Pros do not know. Here are just a few basic secrets this book offers. 1. Pressing attack while holding a sword will increase the damage 2. A sword can instantly destroy a boat or a mine cart and this will not decrease its durability. If attack recharge meter is full and the playing is standing or moving no faster than walking speed, the sword will make a sweep attack that will hit nearby enemies. Also the enemies (within 1 block horizontally and 0.25 blocks vertically) near the hit enemy will be knocked back and damaged by 1. Download now and get all of the advanced combating secrets today!
