

ADVANCED Building Handbook for Minecraft: Learn to Create Expert Level Designs: Unofficial Minecraft Guide

Limited Time Discount! (Regular \$11.99)

If you have been playing Minecraft for a while, there is a good chance that you are already an expert at building simple and medium level houses/ buildings. This guide will help you build more advanced structures such as medieval castles, mega lighthouses, floating airships and such. Plus, this guide is also full of advanced concepts that you can understand and implement to make you buildings more aesthetically pleasing and stylish. This guide is full of tips about how to use negative space to make your house look more beautiful. How to construct rooms and walls using the Golden ratio. How to build organic looking curves and arcs. How to incorporate different types of architecture, like Greek, Oriental etc. into your buildings and how to use various geometric shapes to give your building a more realistic and natural appearance. Instead of holding your hand and guiding you to build each and every fascinating structure, this guide gives you the tools to imagine and make those structures yourself. With a little bit of patience and perseverance, you will be creating your own wonders in Minecraft in no time. Scroll Up, Order Your Copy and Build Some Awesome Advanced Structures in Minecraft!
