

Goldilocks And The Three Behrs: An Erotic Fairy Tale (Erotica) (Erotic Fairy Tales Book 2)

Victoria Goldenrod (Goldilocks) is forced to leave the security of her wealthy family and embark on a journey to the Wild West. Her wagon train is robbed at gunpoint while Victoria is out on a walk through the forest, and she's the only survivor to the brutal killings. She's also the only witness, and she needs a place of refuge where the Blackstone Gang can't find her. Victoria stumbles across a cottage deep in the forest and makes herself at home, assuming the family is away on a trip, but what she finds in her bed when she awakens the next morning could be more than she's prepared to handle. The Behr family isn't like others. And they'll do anything to make sure Victoria becomes one of their own. Even if every one of them has to seduce her.
