

Monstress Vol. 1

Set in an alternate matriarchal 1900s Asia, in a richly imagined world of art deco-inflected steampunk, *MONSTRESS* tells the story of a teenage girl who is struggling to survive the trauma of war, and who shares a mysterious psychic link with a monster of tremendous power, a connection that will transform them both. Entertainment Weekly praised *MONSTRESS* as one of Image Comics most imaginative and daring new series and dubbed it the Best New Original Series in their year-end Best Comics of 2015 list.
