

Mouse Guard: Legends of the Guard Volume 2

Inside the June Alley Inn, located in the western mouse city of Barkstone, mice gather to tell tales, each trying to outdo the other. A competition, of sorts, begins. The rules: Every story must contain one truth, one lie, and have never been told in that tavern before. With the winner getting his bar tab cleared, fantastic stories are spun throughout the evening! Mouse Guard: Legends of the Guard collects the second volume of Legends of the Guard, a new Mouse Guard anthology series featuring the work of artists and storytellers handpicked by series creator David Petersen.
