

## MY HUSBAND, ANOTHER WOMANS SEX TOY

Having a secret life is hard enough. But having your wife pimp you out seems damn right criminal. Anthony is a respected boyfriend and husband, its just one thing, doing both will soon come back to haunt him. Especially when the other woman is his wifes best friend. Its only a matter of time until things take a turn for the worse and he would see that being a ladies man isnt what its all crack up to be. Or he may find himself in a fantasy world that is all so addictive that he cant escape. Will he want to in the end or will his wife have the last say in the matter?
