

Lab Coats and Werewolves (Gay Werewolf Shifter Erotica)

Blake Carlton was a poor college student that needed a job. There were several fliers on the bulletin boards advertising the same old jobs, but there was one in particular that caught his eye. Feral Pharmaceuticals was paying \$100 per day, looking for young men to take part in their clinical trials. Interested, he checks it out. There, he's examined by a sexy doctor named Dirk who happily tells him he qualifies for the job. All he has to do is take a pill, accept the money, and Blake can be on his way. Things go great at first, until Blake falls into a stupor and wakes up with the ability to turn into a werewolf. Opportunities open up for the shy young man as he embraces his new masculinity and sexual desire. One of those opportunities, is the sexy doctor
