

Stepbrother Soldiers Baby (The Hero Book 2)

When my stepbrother returned home from war, I hardly recognized him; strong, handsome and rugged, the boy I grew up with had turned into a man. I was left weak in the knees by the sight of him and was shocked to discover he felt the same way about me. Our attraction was instant--theres just one little problem: hes married; and his mysterious past wont leave him alone. Haunted by his time in war, Im determined to save my stepbrother from himself, but his wife is hellbent on keeping us apart. The secret I carry inside me may be the key to making him mine forever. Unless, his wife destroys us first.
