

My First Time...On My Knees: BDSM Erotica (Short Fling Fiction)

Twenty year old Kenzie is having a horrible day, maybe the worst of her life. When she goes to the bar to let off some steam, her fake ID gets busted and she cant even drown her sorrows. When a charming stranger steps in and promises her a night she wont forget- naive Kenzie doesnt know whether to accept his offer. It all seems too good to be true, especially to someone like her with no experience in the ways of men. Kenzie is still wondering what her friends would do when she should be saying Yes!. Asher dropped by one of his nightclubs to check in for the night, when he spotted sexy college co-ed Kenzie getting busted at the bar. He sweeps in to see what the trouble is and finds himself drawn to her innocence. Before he can think better of it, hes made her the offer of an incredible night of pleasure- if shell agree to his terms, and his terms are kinky. Will she say yes to the wildest night of her life? This sexy story is intended for an adult audience! (Take a peek inside for an excerpt, its just too steamy to post here!) Stories in the Short Fling Fiction series are stand-alone short stories from author E. K. Sabins with kinky themes hot enough to melt your Kindle! Read them in any order you like.
