

Speed Dating: Naughty Edition

Formerly titled: Speed Effing: Reluctant Gangbang
What has Sara gotten herself into? Veronica describes Speed Effing as speed dating with intercourse, and Sara, desperately needing to get laid, reluctantly agrees to go along. However, things turn out to be more intense than Veronica promised, and Sara finds herself as nervous as she's even been - and excited as hell. 4,500+ words. Do you know what's about to happen, Sara? he asked. I have an idea, she smiled. Is this your first time doing this? he asked. Yeah, she said. Her nerves struck again and Timothy picked up on it. He gently grabbed one of her hands and held it. Don't be nervous, he said. We're going to take care of you. Sara was so taken by Timothy's reassuring demeanor and disarming good looks that it took her a second to realize that she had just come out of his mouth. Before she could speak up, she heard a door open behind her and she spun around. She had heard someone in the bathroom. A tall, muscular black man entered the room, followed by another, shorter white man. The look of shock on her face was obvious. She glanced back at Timothy, speechless. A look of understanding showed on his face. This is Mark, he said, gesturing at the black man. And that's Roger. Oh, was all Sara could manage to say. You were told the safe word, right? he asked. She nodded. They're waiting for me to say it, she thought. But I don't think I want to.
