

The Billionaires Baby Auction: Bought By My Stepbrother (The Auction Book 1)

Say it... Say you want this, he demanded. The annual billionaire charity auction is an old tradition among the rich. Women are bid on and purchased for the evening by wealthy men. Often they spend the night having dinner and socializing, but sometimes it leads to more. Several girls find wealthy husbands, or benefactors. I found something more, something unimaginable... After being purchased by my billionaire stepbrother, I found myself promised to him and the dark secrets he hides. I should have resisted his charms and fled, but he won't stop until he possesses my curvy body. Sometimes pleasure is worth the pain, but once I discovered the real reason he purchased me from the auction, I was left wondering if the sacrifice was too great.
