

Naked Battle Elves - Chronicle 4

Having narrowly escaped certain death, Chyra arrives broken and wounded in the home of the greatest Sage in the known world. But even if he can answer her questions about the Demon Sword, will he?

And that's only if she's able to get past the Sage's Dragon. This is part four of an epic fantasy series of short stories, following a lone, voluptuous elf on her journey to avenge the party of adventurers she once belonged to. Her quest will be perilous, fraught with dragons, demons, monsters, and dungeons. Adult content. Mildly recommended for a male audience. Contains illustrations.
