

Iyanla Live! Volume 4: Commitment

In this live recording Iyanla Vanzant explores our need for commitment. She reminds us that when we are filled with doubt, with fear, lack of direction and lack of faith, all we need to do is to commit. Iyanla challenges us to commit our whole beings to a greater life, a higher level of life, a life filled with commitment of heart, of mind, of destiny, and -- most importantly -- the commitment of spirit.
