

An English Family for the Colorado Rancher: (A Mail Order Bride, Sweet & Clean Western Romance Story) (Sarahs Surprise Babies Book 1)

The year is 1856. Rose Stratford is a young widowed mother trying desperately to care for her newborn baby Alexander in the slums of London. A chance encounter with a matchmaker from London Brides leads Rose on a journey that will change her life.

Shes just the girl that successful rancher James Newcomb yearns for in the plains of Colorado. A mail order bride agency has promised to deliver him the lady of his dreams. Yet doubt, danger on the high seas, Indians, bandits, blizzards and miscommunication all threaten to keep them apart. Luckily, love and fate are on their side. This is a standalone novella (no cliffhanger!) of more than 20K words. It also includes a free bonus story from Belle Linde.
