

# Napoleon Hills Greatest Speeches: An Official Publication of The Napoleon Hill Foundation

We are pleased to present this never before published collection from the one and only, Napoleon Hill. Along with other never before published material, this volume includes the speech that inspired the worldwide bestseller *Think and Grow Rich*. With a foreword by Napoleons grandson Dr. J.B. Hill and introductory comments by Don Green, Director of The Napoleon Hill Foundation, personal letters from family members and Senator Jennings Randolph, this fascinating exploration of the speeches given by the pioneer of the personal development movement is packed with a wealth of information. It is a revealing look at one mans quest for understanding why some men succeed, why others do not, and what makes success something that can be replicated. This collection will provide you with some of Napoleons finest speeches including: *What I Have Learned From Analyzing 10,000 People*, *The Man Who Has Had no Chance*, *The Commencement Address at Salem College in Salem, West Virginia, 1922* likely his best-remembered and most-influential speech. Napoleon Hill dedicated much of his life to solving what he called the most stupendous problem confronting the human race today. That is, *How can I get what I want?* As W. Clement Stone and thousands of others can attest, Hill succeeded in this venture, and we now have a success philosophy that Andrew Carnegie once saw as a possibility. The pages within this book will tell you of the origins of a personal development legacy.
