

## The Bad Neighbor Compilation

A newlywed wife and her husband Sam cant afford much, so they settle on an apartment in a poorer section of the city. Its a bit rundown, but with Sams job prospects improving they know they can make it work. Unfortunately, the residents in their neighborhood are not the salt of the Earth. They are the dregs of the city, the homeless and the delinquents. And when a smooth talking and cunning black man seduces the timid and impressionable wife, she is swept up in a whirlwind of forbidden and adulterous sex. With her husband completely ignorant of her ebony lover and his forceful sway over her, its only a matter of time before she unwittingly bears his child. As she struggles to piece her life back together and find the father of her brown baby, its a pimp named Maurice whose clutches she lands into. And Maurice has big plans for the young white girl, plans that involve prostituting her out to a string of customers willing to pay his rock bottom price. WARNING: Contains graphic and explicit sexual content and situations. This book is not intended, and should not be viewed by anyone below the age of 18.
