

## Never Too Late (Mills & Boon Intrigue)

Six years ago Mariana Reyes had stolen his heart, then it seemed she betrayed him. Now she expected Scott O'Donnell to believe he had a child. Mariana and her daughter had been in hiding for years, until someone made sure Scott found Mariana again. He was the only man with whom she shared a fevered past and who could face down the killers they'd once escaped. The journey was paved with questions and danger, but their passion burned hotter than ever. Scott would still walk through fire for her and for the child he'd never known.
