

Candle in the Window: Castles #1 (Castles Series)

New York Times bestselling author Christina Dodd began her illustrious writing career with this book, CANDLE IN THE WINDOW, winner of Romance Writer of Americas coveted Golden Heart and RITA Awards! Lady Saura of Roget lives a lonely life of servitude--her fortune controlled by her cruel stepfather. Yet it is she who has been called upon to brighten the days of Sir William of Miraval, a proud and noble knight who once swore to live or perish by the sword ... until his world was engulfed in agonizing darkness. Summoned to Sir Williams castle, the raven-haired innocent is overcome by desire and love for the magnificent, golden warrior who has laid siege to her heart. But there is grave danger awaiting them both just beyond the castle walls ... and a deadly price to be paid for surrendering to a fiery, all-consuming love.
