He lurched forward, as far as his shackles would allow, coughing and trying to breathe. Don't you ever call me that again, Nina ordered. Do you understand? He nodded. She's fucking nuts, he thought. Just do as she says. She might have a gun. She paced around him slowly. From now on, you call me Mistress. Got it? Yes... Yes, what? Yes, Mistress. Nina stood before him and smiled. That's more like it... slave.
