

The Ladies Book of Useful Information (Dodo Press)

To the ladies of America is this little work, The Ladies Book of Useful Information, dedicated. It is a book written expressly for women. This book is full from cover to cover of useful and necessary information for women. Never before has so much knowledge with which women should be acquainted been printed in one book. It is a perfect storehouse of useful facts. Almost every lady spends many dollars every year for cosmetics, medicines, household articles, etc., which this book would save her. This is a book which every lady should have, and which every mother should place in the hands of her daughters as they come to years of understanding. Every girl of twelve and upwards should read this valuable work.
