

King In The New World

In the future an Asian young man named Woo, gets to travel to a world that his college room mate comes from. Leroy is a typical young man from the planet Ebony. A planet of androids that all look like hot black men. There are no women on the world, because there is no need for them. Leroy takes Woo to a mansion where the young man experiences sexual joys that would be impossible on earth. At the end of the story, the President of Leroy's planet has an offer for Woo. Stay for a year and be King of Leroy's country. Woo will agree to the request, BUT he wanted one thing in return. 18+ for oral, anal, sling sex
