Why Dont I Have A Boyfriend? The answer may surprise you, because of a dating problem that no ones talking about...

If you asked, half of the women you know would give you great dating advice. But then theres the other half. These other women may be manipulating you to gain a social advantage. Prentice Prefontaine says this is not conscious female behavior. This is just how human biology works. Prefontaine has some advice to help you spot these manipulations or use them on your terms.
