

Breath of Flame and Shadow (Rising Dragons Series Book 7)

Read the Conclusion of Rafe and Rowans story. If you havent read the beginning of their story, look for Night Fire in Ophelia Bells catalog. Rowans fallen in love with a dragon, and its left her spinning. Her new lover belongs to a race she never even knew existed until Rafe came into her life. The worst part? Shes just discovered that shes a dragon, too, her true identity magically hidden from her for her entire life by her unknown parents. Her entire life crashes down around her in the face of the knowledge that the lover who showed her who she was doesnt really love her. On the run from the overwhelming discovery of her origins and the heartbreak of Rifes rejection, Rowan stretches her new wings to the point of self-destruction. She has to make a decision: rejoin humanity and reject her nature, or embrace her race and help them overcome a millennia-old set of laws. But none of that matters to her without Rifes love. Meanwhile, Rafe is destroying himself over the regret of not telling Rowan how he truly feels, but dragon law would not have allowed him to mate another dragon. He hunts the farthest reaches of the Earth to find her, hoping that she will agree to help their race, but longing even more to finally confess to her whats truly in his heart. Breath of Flame and Shadow is the sixth episode in a series of novellas that include all kinds of fun kinks involving shapeshifting mythical beasts who breathe magic smoke and have very long, prehensile tongues. It is intended for adult audiences.
