

The Hi-Risk Club Part 2: Keishas Story: Chapter 1

Hidden deep in the labyrinth streets of New York City is a sex club like no other. A club where all protection is forbidden. A club where men come to breed without consequence, and where women come to take the primal risk of pregnancy. A place where the servants cater to both needs and anything goes as long as you're willing to take the consequences. Keisha Martins is a young woman from the ghetto with big plans. But when fate gets in the way, an older friend offers her one last chance to get what she wants: gamble on pregnancy with the rich patrons of the Hi-Risk Club and she might make enough money to live her dreams. Get pregnant for real, and she might lose it all.
